About me ———

I am an economist by training with demonstrated expertise designing and implementing diagnostic tools, advanced analytics and data visualizations applied to economic development. Most of my research aims at improving universal access to basic services (housing, water and sanitation, energy, education and health). I would like to further explore integration of survey data with other sources –including social media, GIS and satellite imagery– to uncover various dimensions of poverty in vulnerable contexts.

Education

2008	M.P.P. International Policy & Development Georgetown University	Washington, DC
2001	B.S. Economics & Business Administration Università di Pavia	Pavia, Italy

R projects

2018/2019	Brazil Water Suppliers https://lulliter.github.io/BrazilWaterSurvey/	Ongoing survey analysis @ IADB
2018/2019	Personal Blog https://luisamimmi.com/	Side projects, R code, miscellaneous thoughts…
2019	Green Card processing time under Trump https://luisamimmi.com/post/2019/07/07/green-card-processing-time/	Analysis of public US data
2019	New York Encounter's Donors https://luisamimmi.com/post/2019/04/14/nye-fundraising-data-analysis/	Fundraising data analysis
2018	Job Migrants and Competitive Cities https://lulliter.github.io/project/linkedinanalysis/	Analysis of LinkedIn data
2018	Life expectancy over time https://lulliter.github.io/project/wdianalysis/	Analysis of WDI indicator

Employment history

2018:…	Research Fellow Inter-American Development Bank, (Washington DC)	
2018:…	Fundraising Data Analyst (Pro bono) New York Encounter, (remote)	
2009:2018	Senior M&E Specialist World Bank, Sustainable Development VP, (Washington DC)
